

Preparing your own codicil

If you have already made a Will and now wish to add Heart Research UK as a beneficiary, you can fill in this simple codicil form. We recommend you visit a solicitor if you do not understand anything on this form or if you are making multiple or complicated changes. If you have any questions you can contact us on **0113 234 7474** or by emailing giftsinwills@heartresearch.org.uk

Completing the codicil form

1. Complete the codicil form (do not sign yet).
2. Sign your name in the presence of two adult witnesses. They must not be a beneficiary or executor of your Will (or any person who is married or civil partner of a beneficiary or executor).
3. Ask your witnesses to complete and sign the witness section. You and your two witnesses must be present at this point.
4. Date the codicil opposite your signature where indicated.
5. Keep your Will and codicil together in a secure place. Do not attach the codicil to your Will, for example with a staple or paperclip, as this could cause problems later.
6. Give a copy of your Will and codicil to an executor or close friend, with a note detailing the location of the original. You must ensure your Will and codicil remain together.
