

# Masterclass series

## Endoscopic heart valve surgery

---

Monday 20 and Tuesday 21 April 2020

**Course Director:**

Mr Joseph Zacharias

**Venue:**

West Midlands Surgical Training Centre, University Hospital Coventry and Warwickshire, Clifford Bridge Road, Walsgrave, Coventry, CV2 2DX

**Course overview:**

This Masterclass is designed for individuals interested in becoming familiar with an endoscopic approach to heart valve surgery. Delegates will be expected to understand the indications and tips, tricks and pitfalls of this approach will be covered. A cadaver lab where delegates will be exposed to both 2D and 3D endoscopic valve surgery with very good interaction with faculty. We are confident that delegates will be comfortable with the theory and understand some of the practicalities of endoscopic heart valve surgery by attending this inaugural course.
