How to Host your Socially Distanced Big Scottish Picnic

You can have a Big Scottish Picnic wherever you like: in your local park, at the beach, up a munro or even in your own living room! If you're inviting friends, family, colleagues or neighbours make sure you are adhering to current Covid-19 guidelines and social distancing rules in your area, and have plenty of space for your guests. Download our posters for social distancing and hand washing to help keep you and your guests safe.

Hosting your picnic couldn't be easier:

1 Register your Big Scottish Picnic and let us know when you'll be having yours.

2 Let people know about your Big Scottish Picnic, use our invite templates & posters, text your guests and let them know to save the date, and get cooking (take a look at our recipes if you need some inspiration).

3 Let people know when it's safe to pop by and donate and collect some goodies. Download our guide on how to allow people to donate safely during the pandemic.
