## How to host a virtual Big Scottish Picnic

Make your Big Scottish Picnic as BIG as you like and have it online via video call. Check out our virtual resources to make your Big Scottish Picnic the best ever!

1 Register your Big Scottish Picnic and let us know when you'll be having yours.

2 Create a Just Giving page so your guests can donate on the day and before your event. (Check out our how to guide!)

3 Invite your guests and let them know where to donate. You can use our e-invite template, invite friends via Facebook and text your guests.

4 Check out our suggested ideas for how you can have fun fundraising during your virtual picnic, while you all enjoy some delicious food. Our recipes can help with some inspiration if you need it.
