How to pay in your money

Via our website

You can pay your sponsorship money in via the link below. Just input the total you would like to pay in from your fundraising, and select the 'Fundraising and sponsorship' option. Please ensure that you fill in all the details including the name of the event you have taken part in. This is essential information that we need to process the sponsorship money. This is a quick, easy and secure way to pay in your sponsorship money and will save you sending it in the post.

Pay your sponsor money online here <https://heartresearch.org.uk/heartofscotland/> and select 'Donate to research'

By post

Please make your cheque payable to Heart Research UK and send along with completed sponsor forms to:

Heart Research UK
Suite 12D
Joseph's Well
Leeds
LS3 1AB

Please note there MUST be correspondence with the cheque which includes your name, address and the name and date of the event you have taken part in. If the money is joint sponsorship for more than one person it is very important that you let us know all the full names of the rest of the group in your correspondence.

Over the phone

Call us on 0113 234 7474 with your credit/debit card details and we can take safe and secure payment over the phone. Open Mon to Fri from 9.00am – 4.00pm. If the money is joint sponsorship for more than one person it is very important that you clearly list all the full names of the rest of the group.

Via your online fundraising page

If you have a JustGiving fundraising page set up for the event, all your sponsors will pay directly onto this site and the money will come directly to our bank account, so you don't have to chase the money. You can also pay any offline money you have collected onto this page (cash only) to save you posting it in. Just pay it in via your own bank details and then bank the offline cash into your own account. Easy peasy!

If you have cash to pay in

If you have cash to donate we ask that you bank this at your nearest high street bank, into the Heart Research UK account. Please ensure you call us first and we will send you a paying in slip to ensure we can track the money once it arrives in our bank. When you bank the money you will be given a stub from the paying in slip. We will need this for tracking purposes so please post or scan/email this to amanda@heartresearch.org.uk and we will ensure you are officially thanked for your donation.
